Malyon College
is an approved institution of the
Australian College of Theology

PC449/D & PC649/D are offered by Malyon College as part of the Bachelor of Ministry and Bachelor of Theology Programs authorized for distance and contact delivery by the college, which is an accredited award of the Australian College of Theology (ACT).
At Malyon we recognise that the world is changing. These are times of great challenge and opportunity. Our commitment is to raising up a generation of influential Christians who have a strong biblical base, skills in leadership and ministry, and a heart for God.

We have been training Christian leaders for over 100 years, and we’ve learnt a few things about theological training. Our graduates are serving all over the world as pastors, cross-cultural workers, workplace leaders, chaplains, church leaders and theological faculty.

Malyon offers full-time and part-time study options through lecture, intensive and distance modes. We have excellent resources for students including a large library, wireless internet and 24 hour access to the campus. All our awards are accredited through the Australian College of Theology.

The Australian College of Theology

The ACT was established under the auspices of the General Synod of the Anglican Church of Australia in 1891. The ACT is a company limited by guarantee governed by a nine-member Board of Directors. The Anglican Primate of Australia presides as the chairman of meetings of the company which consists of 54 persons (in 2010). The ACT is an Australasian provider of state accredited higher education courses leading to awards in theology and other disciplines related to Christian ministry. The ACT operates as an ecumenical consortium of some 2,500 students enrolled in 19 Bible and theological colleges approved to teach the awards of the ACT. These awards range from two-year diplomas, three-year undergraduate and coursework masters degrees to masters and doctoral research degrees.

The ACT has a centrally devised and managed curriculum and a quality assurance process that are applied across the whole network of affiliated colleges. The day-to-day educational system is managed by the Dean from the ACT office in Sydney. Academic governance is the responsibility of the Academic Board which oversees all academic activities of the College. The standing committees of the Academic Board share this responsibility by monitoring the quality of delivery and resourcing, developing policy, and reviewing the course structure for research, coursework and diploma courses. The membership of the Academic Board and its committees is comprised mostly of faculty members of affiliated colleges. A number of senior university academics are represented to help ensure that ACT practice (especially in the outcome of the consideration of research examiner’s reports and general academic policy) remains comparable with the standards of and best practice in the university sector.

As a HEP under the Higher Education Support Act, the College was required to undergo a quality audit conducted by the Australian Universities Quality Agency (AUQA). The AUQA Audit Report was publicly released on the AUQA website in February 2007.

In 2010 the company consists of 54 members composed in the following way:
(1) the Anglican Primate of Australian and the Dean of the ACT,
(2) the principals of 10 Anglican Theological Colleges,
(3) 21 persons elected by the House of Bishops of the General Synod,
(4) the principals of 11 affiliated colleges approved to deliver the research degrees of the ACT,
(5) 5 graduates holding an ACT research degree,
(6) 5 graduates holding any other degree of the ACT.

Unit Content

This unit is designed for students who, for a variety of reasons are unable to participate in the ‘in class’ Guided Spiritual Formation Groups which meet on campus. Accordingly, this
Unit is designed to be used in off-campus mode. There are no lectures to attend, and the student is expected to take responsibility for ensuring that the requirements of the unit are met. You are enrolling in this unit as an “off-campus unit”.

It is important that students understand the difference between GSF and every other ACT subject. Standard subjects within the ACT curriculum are worth 4 credit points and are usually completed within 1 semester. GSF is offered in 1 credit point units over 4 semesters. This Moodle Unit applies to all 4 units of GSF. You will take 4 semesters to work progressively through it. This means that you would enroll in PC449/649A in your first semester of GSF and complete the section of the Moodle unit that pertains to PC449/649A. In your second semester of GSF you would complete the section of the Moodle unit that pertains to PC449/649B and so on through the Unit.
