MALYON COLLEGE
(www.malyon.edu.au)

At Malyon we recognise that the world is changing. These are times of great challenge and opportunity. Our commitment is to raising up a generation of influential Christians who have a strong biblical base, skills in leadership and ministry, and a heart for God.

We have been training Christian leaders for over 100 years, and we've learnt a few things about theological training. Our graduates are serving all over the world as pastors, cross-cultural workers, workplace leaders, chaplains, church leaders and theological faculty.

Malyon offers full-time and part-time study options through lecture, intensive and distance modes. We have excellent resources for students including a large library, wireless internet and 24 hour access to the campus. All our awards are accredited through the Australian College of Theology.

THE AUSTRALIAN COLLEGE OF THEOLOGY
(www.actheology.edu.au)

The ACT was established under the auspices of the General Synod of the Anglican Church of Australia in 1891. The ACT is a company limited by guarantee governed by a nine-member Board of Directors. The Anglican Primate of Australia presides as the chairman of meetings of the company which consists of 54 persons (in 2010). The ACT is an Australasian provider of state accredited higher education courses leading to awards in theology and other disciplines related to Christian ministry. The ACT operates as an ecumenical consortium of some 2,500 students enrolled in 19 Bible and theological colleges approved to teach the awards of the ACT. These awards range from two-year diplomas, three-year undergraduate and coursework masters degrees to masters and doctoral research degrees.

The ACT has a centrally devised and managed curriculum and a quality assurance process that are applied across the whole network of affiliated colleges. The day-to-day educational system is managed by the Dean from the ACT office in Sydney. Academic governance is the responsibility of the Academic Board which oversees all academic activities of the College. The standing committees of the Academic Board share this responsibility by monitoring the quality of delivery and resourcing, developing policy, and reviewing the course structure for research, coursework and diploma courses. The membership of the Academic Board and its committees is comprised mostly of faculty members of affiliated colleges. A number of senior university academics are represented to help ensure that ACT practice (especially in the outcome of the consideration of research examiner's reports and general academic policy) remains comparable with the standards of and best practice in the university sector.

As a HEP under the Higher Education Support Act, the College was required to undergo a quality audit conducted by the Australian Universities Quality Agency (AUQA). The AUQA Audit Report was publicly released on the AUQA website in February 2007.

In 2010 the company consists of 54 members composed in the following way:

- (1) the Anglican Primate of Australia and the Dean of the ACT,
- (2) the principals of 10 Anglican Theological Colleges,
- (3) 21 persons elected by the House of Bishops of the General Synod,
- (4) the principals of 11 affiliated colleges approved to deliver the research degrees of the ACT,
- (5) 5 graduates holding an ACT research degree,
- (6) 5 graduates holding any other degree of the ACT.

Unit Description

The vision of Malyon College is to develop Christians of influence. In order to be a Christian of influence a woman or man needs to have theological maturity. A theologically mature Christian displays a thorough knowledge of the Bible and its history, culture, geography, and theology. They are also able to articulate a personal theological understanding emerging from their knowledge. But to influence others, they also need to be able to interpret and apply the Bible and theological understanding to ministry contexts and situations and communicate their biblical/theological understanding with clarity and conviction. The purpose of the unit is to enable students to encounter, and gain a greater understanding of, the early churches as presented in Acts and the epistles. But it also aims at helping students further develop, apply and communicate their theological understanding that emerges through this study of the early churches.

The unit forms part of the four-unit suite of Bible survey units. Jesus and the Gospels (NT501) and The Early New Testament Church (NT502) aim to give students a broad introduction to the whole New Testament as a piece of literature. Hence the focus is on the “big picture” rather than “deep” exploration of specific passages, which is the focus of the exegesis units. The NT survey units aim to help you to see how the various books fit together into a coherent story and help you to see how you and your Christian community fit within that narrative. These units give you the platform that you will use in your exegesis of specific books, in understanding the way the Church has interpreted them during its history, in developing your theological positions in systematic theology and Christian thought units, and applying the Bible in practical ministry.

Many of the men functioning as church leaders at this time were baptised polygamists whose wise counsel continued to be recognised and followed in both church and community. They were in fact both natural and spiritual leaders who were fulfilling the functions of church elders, although not formally appointed as such because of Paul's teaching in his Pastoral Epistles that an elder and deacon should be 'the husband of but one wife'. This was part of a list of qualifications that reflected the highest ideals of the Hellenistic culture at Ephesus, all of which are mentioned by Paul to ensure that church leaders (and

through them the church and the Good News itself) were well regarded by the non-Christian community. Polygamy was rare in that pagan society so that was not the specific issue Paul was addressing. He was probably emphasising faithfulness to one wife in a culture in which infidelity was common. Christian virtues such as love, faith, purity, endurance etc are assumed and taken for granted. We considered the fledgling churches were in a state of transition and that it would be wise not to appoint younger monogamous men to positions of church leadership immediately, when in fact older men with more than one wife did have the respect of the church congregations and the society at large. We taught monogamy as part of God's plan for human society and hoped that would be embraced in the next generation.
